Which toolkit to choose?

Thank you for purchasing our ISO 27001 Documentation Toolkit!

For your convenience, with your purchase, we have included **two versions of the toolkit** (each toolkit is in its own subfolder):

- ISO 27001 toolkit compliant with the **2013 revision** of the standard

- ISO 27001 toolkit compliant with the **2022 revision** of the standard

To decide which version of the toolkit to choose for your ISO 27001 implementation project, **use this tool:** Should you start implementing ISO 27001 2013 or 2022 revision?
