

[organization name]

Environmental Policy

Considering the purpose and context of the organization, and the condition of the environment in which the company operates, the management of [organization name] is committed to the continual improvement of the Environmental Management System (EMS), according to compliance obligations, by following the principles and requirements of ISO 14001:2015.

All employees of [organization name] are acting to protect the environment by preventing and eliminating environmental pollution through:

- Continual education in order to prevent environmental pollution, preserve natural resources, and improve the EMS
- [redacted]
- Exploration of new materials with smaller environmental footprints and improvement of hazardous waste management
- [redacted]
- Activities that emerge from the context of the organization
- Following environmental procedures in order to decrease environmental pollution, and prevent degradation and damage to the environment
- [redacted]

[Job title] is responsible for communicating the Environmental Policy to all persons working for or on behalf of the organization and making it available to the public.
